

# Nailed It!

This morning, as I was rushing to an appointment, I received a call from a dear friend and “challenger”. She said she was in need of a recipe to recreate NUTELLA and she asked how she could do using her chocolate Shakeology! After my appointment, I received this ADORABLE photo with a text saying “NAILED IT”.

Her littles enjoyed every bite and mom felt good knowing it

was not packed with sugar and unnecessary ingredients! See the "Nailed It" recipe we concocted here [HERE](#)
